Instructions for Downloading Amac Broker Quoting Tool App on Apple Store

1. Open your Apple Store. Search for Amac Broker Quoting

2. Tap **Get**. Enter your Apple ID/Password. Once it is downloaded, tap **Open**. It will also appear as an icon on your Home Screen.

3. Either Select Don't Allow or Allow for Notifications.

4. Enter your **Username and Password.** If you do not have a username or password, tap on **Create Account**. Once your account has been created, Amac will be notified to approve your access. Once your access has been approved, you will be able to sign-in.

5. Tap Run Quote. The plans you may quote will then appear. Tap on Medicare Supplement.
